

# Frankosol

## Pre- and post-spotting agent for wet-bound stains

**Frankosol** solubilizes sugar, mustard, ice cream, mould, starch, albumen, honey, milk, liqueur, food, beer, mud, pigment soil, chocolate, urine and other wet-bound stains.

### Application:

Apply **Frankosol** on the stain and treat with a soft brush. Then rinse with water or steam.

**Frankosol** contains active additives for removal of perspiration odor and sweat marks and is suited for spotting on all kind of textiles.

### ATTENTION:

- In case of sensitive textiles, dyes and prints, we recommend to try the product reaction on the seam prior to spotting.
- Do not intermix spotting agents !

### HEALTH AND SAFETY RECOMMENDATIONS:

**Precautions:** Risk of serious damage to eyes. Keep out of the reach of children. When using, do not eat or drink. Avoid contact with skin and eyes. Wear suitable gloves and eye/face protection.

**First Aid:** In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. After contact with skin, take off immediately all contaminated clothing and wash immediately with plenty of water. In case of accident, or if you feel unwell, seek medical advice immediately (show label where possible). If swallowed, seek medical advice -immediately and show container and label.
