

Hydret 3

Pre- and post-spotting agent for use in water

Hydret 3 solubilizes coffee, tea, wine, coke, fruit, fruit juice, liqueur, tobacco, grass, perfume, medicine and similar tannin-bound stains.

Application:

Apply **Hydret 3** on the stain and treat with a soft brush. In case of aged stains or stains difficult to remove, allow to react for a longer time. Frequently remoisten the stained area to intensify the solubilizing power.

When used in pre spotting, rinse in the machine and, on the post-spotting table, rinse with water or steam.

ATTENTION:

- In case of sensitive textiles, dyes and prints, we recommend testing the product reaction on the seam prior to spotting.
- Do not intermix spotting agents !

HEALTH AND SAFETY RECOMMENDATIONS:

Precautions: Risk of serious damage to eyes. Keep out of the reach of children. When using do not eat or drink. Avoid contact with skin and eyes. Wear suitable gloves and eye/face protection.

First Aid: In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. After contact with skin, take off immediately all contaminated clothing and wash immediately with plenty of water. In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible). If swallowed, seek medical immediately and show this container or label
